... the city that you have yearned for ... Herceg Novi

Situated on the crossroad between East and West, exposed to many conquests and cultural influences, Herceg Novi took something from everybody, added its own stamp and did everything possible to differ from all other coastal towns in Montenegro. If you are a fan of the beauty of the coast, like to experience the true Mediterranean spirit and sensibilities of the local population, Herceg Novi is the right place for you, which will make you feel that you just find your own little private paradise on Earth.

... Lustica - Boka's Mount Athos ...
